

PROTECTION PLAN

LIMITED PROTECTION PLAN

Sunbelt Lubricant, Products, Inc. ("Sunbelt") provides this Limited Protection Plan subject to the terms and conditions set forth below.

WHAT IS COVERED

This Limited Protection Plan applies only to Sunbelt-brand lubricant and chemical products packaged and sold by the Sunbelt and installed by a licensed professional service center (the "Product(s)"). Sunbelt warrants that the Products are properly packaged and fit for use in the manner specified on the Product labels and as set forth in any instructions, relevant product safety sheets, or bulletins from Sunbelt. This **Limited Protection Plan does not cover any vehicles with more than 100,000 miles** on its odometer (75,000 miles on automatic transmissions) on the date the service was performed.

DURATION OF COVERAGE

This **Limited Protection Plan will provide limited protection coverage for two (2) years or 30,000 miles**, whichever comes first from the date the Products are installed by an authorized dealer, or distributor in an end user customer's vehicle.

CONDITIONS THAT MUST BE MET IN ORDER TO OBTAIN LIMITED PROTECTION PLAN COVERAGE

- Coverage is available only through authorized distributors and dealers for the benefit of end-user purchasers;
- The Products were used in accordance with any applicable warnings or instructions;
- The vehicle has never been used for commercial or agricultural purposes;
- The vehicle has never been used in racing or competitive events;
- The vehicle has a valid title and registration, has never been salvaged, rebuilt, abandoned or junked; and
- The customer has presented the Damaged Components to the Sunbelt for inspection.

WHAT SUNBELT WILL DO

If it is conclusively established that the Products were the sole cause of damage to an engine, transmission, differential, cooling system or power steering system (the "Damaged Component"), Sunbelt will pay for the reasonable costs of the Damaged Component(s) up to a **maximum of \$2,000.00**. Sunbelt reserves the right to improve or modify the Products from time to time without assuming an obligation to replace Products previously manufactured and/or distributed.

HOW TO OBTAIN LIMITED PROTECTION PLAN COVERAGE

If you, the purchaser of a Product, want to make a claim under this Limited Protection Plan, you must send a written description of the problem, **proof of purchase and customer's copy of repair order to Sunbelt within ten (10) days of discovery of the defect**. Please address the claim to the attention of the Limited Protection Plan Department. Sunbelt reserves the right to request additional information about and/or return of the Product at issue at purchaser's cost. As a condition to enforcement of this Protection Plan, Sunbelt must be provided the maintenance records of the Damaged Component to conclusively prove all reasonable, required, and/or recommended scheduled maintenance was performed which is a condition of payment hereunder. All Damaged Components must be maintained and made available for inspection by Sunbelt. Failure to cooperate with Sunbelt's inspection and investigation of the claim will void this Limited Protection Plan.

PARTS THAT ARE COVERED

- **Engine (Gasoline and Diesel):** Covers the pistons and rings, cam shaft bearings, turbo bearings, valve lifters, oil pump, wrist pins and bushings, push rods, crankshaft bearings, timing chains, rods and bearings, intake valves, cylinder liners and bores, rocker arms, pivots and distributor drive gear and fuel injectors (deposit related malfunctions only).
- **Automatic Transmission:** Covers the transmission housing or case only when damaged by an internally lubricated part covered under this protection plan. Items not covered are leaking transmission seals, gaskets and electrical components. Fluids meeting manufacturer's specifications must be used.
- **Drive Line Manual Transmission/Transaxle:** Covers only lubricated parts contained within the transmission case. Items not covered are the case, flywheel, clutch plate, U-Joint(s), CV Joint(s) and driveshaft(s) unless damaged due to failure of a covered part. Fluids meeting manufacturer's specifications must be used.
- **Drive Line Front or Rear Differential:** Covers only lubricated parts contained within the differential housing or case. Items not covered are the differential housing or case, pre-packed axle bearing(s), U-Joint(s), CV Joint(s) and boot(s) unless damaged due to failure of a covered part. Fluids meeting manufacturer's specifications must be used.
- **Drive Line Transfer Case:** Covers only lubricated parts contained within the transfer case. Items not covered are the housing or case, U-Joint(s), CV Joint(s) and driveshaft(s) unless damaged due to failure of a covered part. Fluids meeting manufacturer's specifications must be used.
- **Cooling System:** Covers only the heater core, water pump, freeze plugs and radiator. Items not covered are the hoses, clamps, thermostat(s) and engine components. Coolants meeting manufacturer's specifications must be used.
- **A/C System:** Only the Evaporator Core.
- **Power Steering:** Covers only the power steering gear box or rack and power steering pump. Items not covered are the hoses, belts, bracket(s) seals and leaking gaskets. Fluids meeting manufacturer's specifications must be used.
- **Brake System:** Covers only the pump, valves, master cylinder, calipers and metalized hoses. Items not covered are pads, rotors, shoes, ABS sensors, controller or electrical parts.

WHAT IS NOT COVERED

- Products used in mechanically deficient equipment; all electrical parts or components;
- Products used in unauthorized equipment or in a manner not recommended or authorized by the Sunbelt and/or the manufacturer's specifications;
- Products that have been used in conjunction with any other fuels, oils, additives or other products used in combination with Sunbelt which are not authorized. Products that are not handled, stored, or used in the manner authorized or recommended by Sunbelt;
- Malfunction or failure due to user's negligence, abuse, abnormal usage, pre-existing condition, misuse, alteration, accident, or normal wear and tear or damage due to environmental or natural elements;
- Products that malfunction or fail due to improper storage, mishandling or misuse;
- Products that are used for any purpose other than as described on the Product label.
- Automatic transmissions with existing slipping, shudder or shifting problems.

This Limited Protection Plan provided herein will be your exclusive and ONLY remedy against Sunbelt and Sunbelt excludes and disclaims any and all implied warranties, including, but not limited to, the implied warranty of fitness for a particular purpose and the implied Limited Protection Plan of merchantability. You will not be able to recover any incidental or consequential damages and agree not to make a claim for such damages. You agree this Limited Protection Plan is sufficient. There are no Protections that extend beyond the description on the face hereof. Some states do not allow the exclusion of or limitation of incidental or consequential damages for the full disclaimer of implied Protections so the above limitation may not apply to your state. This Limited Protection Plan gives you specific legal rights, and you may have other legal rights which vary from state to state; however, this Limited Protection Plan is to be construed and enforced in accordance with Florida law without resort or reference to any conflict of laws provisions. You agree that jurisdiction and venue or any and all claims against Sunbelt (or the manufacturer of the Products) will be in Tampa, Florida and you irrevocably consent to that location to resolve any dispute with us.
